CHOPIN POLISH POTATO VODKA

70CL | 40%

THE WORLD'S MOST AWARDED POTATO VODKA

Chopin Potato Vodka is a seasonally produced Polish vodka using locally sourced potatoes, grown within 18 miles of the Dorda family's distillery in Eastern Poland. This highly acclaimed vodka has earned **Double Gold** in the San Francisco World Spirits Competition and **Gold Medals** from the Chicago Beverage Testing Institute's International Review of Spirits Award.

TERROIR DRIVEN FROM FIELD-TO-BOTTLE

Championing a hands-on approach and using locally sourced raw ingredients drives terroir, texture, and taste into Chopin's vodkas. Every drop is distilled four times on the distillery's 19th-century copper column still for optimum smoothness, before being rested for two weeks to further mellow and develop its flavour profile.

FULL-BODIED WITH NOTES OF GREEN APPLE

Chopin Potato Vodka is a full-bodied vodka with notes of green apple, citrus, and fresh cut grass, carried by a creamy, rich mouthfeel. There is a clean black pepper note on the finish, which fades slowly into notes of hazelnuts and soft lemon peel.

WORLD'S FIRST SUPER PREMIUM VODKA

The brainchild of Tadeusz Dorda, Chopin Vodka was launched in 1993. After purchasing the distillery, which dates back to 1896, the Dorda family embarked on their mission of preserving Poland's centuries-old vodka making tradition, using one of the oldest stills left in Poland. Chopin remains family-owned to this day.

IDEAL IN A CLASSIC MARTINI

Add 60ml Chopin Potato Vodka to 10ml dry vermouth and stir with ice until chilled. Serve in a martini glass, garnished with an olive.
