HOMAGE TO THOMAS HINE

Created in 2007 to celebrate Thomas Hine's British roots, this XO Cognac is a blend of more than 20 Grande Champagne eaux-de-vie, including four aged in cellars in the UK.

DELICATE, ELEGANT AND REFRESHING

Hine Homage reveals aromas of candied orange peel, buttered brioche and ripe pear. On the palate, stewed apples, hazelnuts, winter spices and toffee balance with layers of complexity and elegance.

BEST ENJOYED NEAT

Hine Homage is best sipped neat to explore the complex and elegant flavours and the balance between dry nuttiness and fruitiness.

EARLY LANDED

Hine Homage contains Cognacs from four single vintages of the 1980s that have been aged in more humid UK conditions. This means that the Cognac develops different flavours as it ages.

THE FRENCH COGNAC WITH A BRITISH SOUL

Established over 250 years ago, Hine is proudly one of the oldest houses in the region. Hine's philosophy of creating the highest quality Cognacs respects the Maison's heritage and terroir.
