### BRIGHT AND APPROACHABLE 12 YEAR OLD SINGLE MALT

Tormore 12 Year Old is an elegantly matured single malt whisky, distinguished by its refined character and exceptional versatility. It is non-chill filtered to preserve its full character and complexity.

### MATURED IN BOURBON, CREAM SHERRY AND TOASTED OAK CASKS

This whisky is matured predominantly in first-fill Bourbon casks, delivering notes of vanilla custard and soft oak sweetness. A selection of cream sherry casks, including Pedro Ximénez influence, adds subtle sweetness and a distinctive nutty character, while toasted and charred casks contribute warming spice and extended length on the palate.

### NOTES OF PEACH, TOASTED ALMONDS AND VANILLA FUDGE

Tormore 12 Year Old opens with notes of fresh, ripe peaches, vanilla custard, and baked pastry. The palate is creamy and fruit-forward, with poached pear and soft vanilla balanced by warming baking spice and a subtle coconut note on the finish.

### THE PEARL OF SPEYSIDE

Balanced, elegant and full of bright fruit, Tormore whisky has always been designed to reflect the warm and welcoming character of the Tormore Distillery. Built in 1959, it was intended as a home for passionate whisky makers that has become known as the “Pearl of Speyside.” For decades, its whisky has been a key component of Scotch blends. Today, under the stewardship of Elixir Distillers, Tormore is positioned firmly as a single malt, with a renewed focus on creating an elegant style of whisky through a considered cask programme and balanced blending approach.

### VERSATILE SERVES

Tormore 12 Year Old is a versatile, approachable whisky that works equally well served neat, where its roasted fruit character is most evident, or in classic whisky cocktails such as a Manhattan or Old Fashioned.
