EXQUISITE VENEZUELAN RUM

Diplomático Mantuano (meaning “Nobleman”) is an authentic blend of sugar cane honey and molasses-based rums created at the foot of the Andes Mountains in Venezuela.

NOTES OF SPICES AND TROPICAL FRUITS

With notes of dried plums, toffee, cinnamon, nutmeg and tropical fruits, Diplomático Mantuano is designed for mixing in long drinks or cocktails.

PERFECT WITH GINGER ALE

In a highball glass filled with ice, add 50ml of Diplomático Mantuano, squeeze in 2 lime wedges and top up with ginger ale.

EXPERTLY CRAFTED & BLENDED

Mantuano is comprised of aged rums that have been distilled using either a classic pot still, a unique batch kettle, or the Barbet column still, giving the Master Blenders a range of flavours and textures to balance together.

SUSTAINABLE FAMILY-OWNED DISTILLERY

Family-owned in Venezuela, Diplomático controls its production process from field to bottle with a care for the local environment and people. It has been recognised for its sustainable practices.
