CHOPIN FAMILY RESERVE VODKA

70CL | 40%

LUXURY AGED VODKA CRAFTED USING TRADITIONAL POLISH TECHNIQUES

Chopin Family Reserve Vodka is a unique and highly prized vodka from the Dorda family. The spirit is produced from young potatoes, harvested in the summer rather than autumn whilst their skins are soft and their flesh tender, producing a sweet and exceptionally delicate taste. After being distilled, the spirit is rested for two years in fifty-year-old Polish oak barrels to allow the spirit to mellow before being bottled by hand.

NOTES OF BAKING SPICES AND ROASTED APPLE

Chopin Family Reserve Vodka opens up with notes of clove, liquorice and cinnamon, along with roasted apple and a sweet, gentle musk. On the palate there is a delicate, earthy flavour, complemented by a luxuriously silky texture.

WORLD'S FIRST SUPER PREMIUM VODKA

The brainchild of Tadeusz Dorda, Chopin Vodka was launched in 1993. After purchasing the distillery, which dates back to 1896, the Dorda family embarked on their mission of preserving Poland's centuries-old vodka making tradition, using one of the oldest stills left in Poland. Chopin remains family-owned to this day.

TERROIR DRIVEN FROM FIELD-TO-BOTTLE

Championing a hands-on approach and using locally sourced raw ingredients drives terroir, texture, and taste into Chopin's vodkas. Every drop is distilled four times on the distillery's 19th-century copper column still for optimum smoothness, before being rested for two weeks to further mellow and develop its flavour profile.

VESPER MARTINI

Combine 60ml Chopin Family reserve with 20ml Cocchi Americano Vermouth and shake hard. Strain into a chilled martini glass and garnish with a lemon twist.
