

STARWARD

STARWARD LEFT FIELD WHISKY

70CL | 40%

APPROACHABLE AUSTRALIAN SINGLE MALT WHISKY

Starward Left Field is an approachable and versatile single malt whisky from Starward Distillery in Melbourne, Australia. It is fully matured in red wine barrels to give the whisky a rich and complex flavour profile.

NOTES OF TROPICAL FRUITS, RED APPLE AND SUMMER BERRIES

This whisky displays notes of tropical fruits, red apples, and a touch of red summer berries on the nose. The French oak maturation brings notes of toasted oak and cinnamon on the palate along with stone fruits and vanilla, culminating in a long and complex finish with soft tannins and white pepper.

100% BAROSSA VALLEY WINE CASK MATURATION

This is a unique product in the Australian Whisky category, having been fully matured in the finest Oak barrels that previously held wine from Australia's famous Barossa Valley region, best known for its signature Shiraz grape.

A DISTINCTLY AUSTRALIAN WHISKY

Starward was born out of a simple vision: to create a whisky that reflects Australia's unique character. All ingredients are sourced within a day's drive from the distillery; the barley comes from Victoria and South Australia and is malted in Geelong. Melbourne's notoriously variable climate also affects maturation, with temperature swings of up to 12.5°C in a day, ageing the whisky in 'Melbournian years.'

CREATED WITH INNOVATIVE PRODUCTION METHODS

Renowned for their innovation, Starward represents a new generation of whisky makers, with many of the production choices borrowed from craft brewing – brewer's yeast is used for complexity, and a darker malt is chosen to deliver more biscuity characteristics and a luscious mouthfeel.

ENJOY NEAT, ON THE ROCKS, OR IN A COCKTAIL

Starward Left Field is a versatile whisky that can be enjoyed neat or on the rocks to showcase the complexity and richness, or in any classic cocktail such as a whisky sour, highball, or Old Fashioned.
