

# BOATYARD VODKA

ORGANIC IRISH VODKA

70CL | 41%

## FIELD-TO-BOTTLE, ORGANIC VODKA FROM IRELAND

An organic vodka made entirely on-site at The Boatyard Distillery on the edge of Lough Erne in County Fermanagh, Ireland. Boatyard Vodka uses 100% Irish wheat with field-to-bottle traceability.

## CREAMY AND SMOOTH WITH BLACK PEPPER AND ORANGE

A creamy and smooth spirit with incredible depth and character. On the nose there is black pepper, banana, orange zest and subtle hints of beeswax before finishing with sweet, soft vanilla.

## A UNIQUE AND COMPLEX VODKA

Boatyard Vodka is made from the best organic Irish wheat. The quality of the ingredients gives the vodka a unique and complex flavour, and by not filtering the spirit, all of the flavour from the Irish grains is able to shine.

## FAMILY-RUN DISTILLERY

Boatyard is an award-winning distillery located inside an old boatyard on the banks of Lough Erne in North West Ireland. The first legal distillery built in County Fermanagh in 130 years, Boatyard is a genuinely different distillery – innovative, open, transparent, obsessed with quality, family-run and passionate about distillation.

## B-CORPORATION CERTIFICATION

Its ethical, sustainable and environmental practices earned Boatyard the B Corp status in 2023. It is the first distillery on the island of Ireland to receive the recognition, receiving a score of 92 points.

## PERFECT WITH SODA AND IN CLASSIC COCKTAILS

Boatyard Vodka is best enjoyed in a refreshing highball with London Essence Peach and Jasmine Soda and a slice of fresh lime. The vodka can also be used in all manner of classic cocktails such as the Espresso Martini or the Greyhound but is equally fantastic served neat or over ice.
