ELEMENTS OF ISLAY BOURBON CASK

BLENDED MALT WHISKY

70cl | 54.50%

EXCEPTIONAL BLENDED MALT WHISKY FROM TWO OF ISLAY'S ICONIC DISTILLERIES

Elements of Islay Bourbon Cask is a blended malt whisky from two of Islay's renowned distilleries. It is matured in first fill and refill bourbon barrels and is bottled at a higher strength of 54.5% to express the whisky's full flavour.

RICH PEAT SMOKE WITH CREAMY VANILLA, PEACH & SPICE

On the nose, sweet aromas of vanilla, amber-scented candles and fresh tropical fruits combine with a hint of peat smoke. On the palate, rich barbecue smoke from an Islay south-coast distillery combines with subtle, zesty flavours from a north-coast distillery. A chocolate-dusted cappuccino, warm vanilla-custard brioche and maple-syrup-poached tangy fruits appear, finishing with a roaring peat fire.

BEST ENJOYED NEAT OR ON THE ROCKS

Sip and savour the spirit neat or on the rocks or try it in a classic cocktail like a Whisky Sour.

EXPERIENCE THE ELEMENTS OF ISLAY

Elements of Islay, a range of small batch, independently bottled whiskies is where the elements of flavour collide. Every sip of 'Elements of Islay' is a true taste of Islay. The new range has been inspired by the flavour, smell and taste of nature on Islay and all that it bestows.

MAXIMISING FLAVOUR

The bottles in the range don't carry an age or vintage because batches are created solely with flavour in mind, each one expressing the character of each distillery on Islay. Elements of Islay whiskies are always non-chill filtered and contain no caramel colouring.
