VERITAS TRADITIONAL BLENDED 'WHITE' RUM

70CL | 47%

TRUTH & HONESTY

Veritas means 'Truth' in Latin. In a rum world full of smoke & mirrors, Veritas is a traditional blended white rum made without the use of colourings, sugar, additives or filtration.

TRADITIONAL & CHARACTERFUL WITH VANILLA & FRUIT FLAVOURS

Veritas is a combination of rums from Foursquare Distillery in Barbados and Jamaica's Hampden Estate. These components give Veritas flavours of vanilla custard, zingy tropical fruit, liquorice, clove, a fresh grassiness and creamy texture.

CARRIBEAN PARTNERSHIP

Many multi-island blends are sourced from the Caribbean islands, but are branded, blended, bottled and sometimes aged outside of these counties. Veritas is the first blended white multi-island rum, made entirely in the Caribbean by Caribbeans.

THE ART OF BLENDING

Carefully selected rums include unaged Coffey-still rums and 2yo Pot-still rums from Barbados as well as funky unaged Pot-still rums from Jamaica. These are blended and rested at Foursquare Rum Distillery in Barbados.

THE PERFECT DAIQUIRI

Veritas was created with mixing in mind and to raise the quality standard for white rums, and is perfect for elevating your favourite rum cocktails. Try it in a Daiquiri or a Pina Colada.
