PURE SIBERIAN VODKA

MADE IN THE HEART OF RUSSIA

Beluga vodkas are produced in the Altai region of Siberia. Founded in 1900, the distillery has preserved traditional vodka-making techniques which it combines with innovative production methods to create exceptionally smooth, full-bodied vodkas.

CREATED NOT MADE

The refined design of the Beluga range reflects the strict attention to detail that goes into every bottle of vodka. A small Beluga fish is fitted by hand, ensuring each bottle is unique.

ULTIMATE PURITY

Each bottle of Beluga vodka undergoes a strict system of purification, with multiple filtrations through quartz sand and silver-enriched charcoal. Each vodka goes through a resting period that guarantees the purity and ultimate quality of the final vodka.

MADE IN THE HEART OF SIBERIA

Beluga Noble is a luxury Russian vodka produced in the Altai region of Siberia. It combines traditional production techniques with innovative methods resulting in a smooth and flavoursome vodka.

EXCEPTIONALLY SMOOTH AND FULL BODIED

Made from malted wheat and pure water drawn from 300-metre deep Siberian Artesian wells to guarantee a velvety texture and rich flavour.

SOFT SWEET & FLORAL NOTES

Soft and sweet on the nose with floral aromas, Noble shows delicate notes of cereal, citrus and honey. Perfectly balanced with a long-lasting finish and subtle sweetness.

ULTIMATE PURITY

After distillation, Beluga Noble undergoes a strict purification process, with multiple filtrations through quartz sand and silver-enriched charcoal and a 30-day resting period guaranteeing the final vodka's purity and quality.

CREATED NOT MADE

The refined design reflects the attention to detail that goes into every bottle of Beluga Noble. A small Beluga fish is fitted by hand, ensuring that every bottle is unique. With over 120 years' experience crafting spirits, the Mariinsk Distillery has a long heritage in making luxury vodkas.

BEST SERVED NEAT OR IN A COCKTAIL

Beluga vodkas are best consumed neat, on the rocks or paired with caviar. Noble's complexity and smoothness is the perfect foundation for a Martini.

BELUGA GOLD LINE

70CL | 40% | £120.00

LUXURIOUS RUSSIAN VODKA

Beluga Gold Line is a unique vodka created using exceptional natural ingredients resulting in a luxurious tasting experience. The vodka is the embodiment of luxury and sophistication.

SMOOTH, PURE AND RICH TASTE

Made from malted wheat and pure water drawn from 300m deep Siberian Artesian wells to guarantee a velvety texture and rich flavour. This really is a vodka for true connoisseurs.

CREAMY NOTES WITH A CRISP AND FLORAL FINISH

Creamy vanilla, cinnamon and marshmallow leads into herbaceous hints, with white pepper, sage and a crisp, floral finish.

MADE IN THE HEART OF SIBERIA

Made Beluga Gold Line Vodka is produced in Mariinsk in the Altai region of Siberia which combines traditional production techniques with innovative methods to create an exceptionally smooth, full-bodied vodka.

CREATED NOT MADE

Beluga Gold Line Vodka is filtered multiple times through quartz sand and silver-enriched charcoal before the liquid is rested for 90 days. This gives the vodka a velvety richness. Each Beluga Gold Line bottle comes individually numbered with a unique cork and is secured by sealing wax, accompanied by an elegant hammer & brush for cleaning the wax.

THE ULTIMATE VODKA MARTINI

The Beluga Martini: 60ml Beluga Gold Line, 20ml Dry Vermouth, twist of lemon peel to garnish.
Stir in a chilled mixing glass and strain into a chilled martini glass.
