A VIBRANT SINGLE MALT

Waterford Cuvée: Argot is a playful and vibrant single malt whisky from the Waterford Distillery. This new permanent release is positioned as an “entry” to the Waterford range. Argot is a blend of Waterford’s Single Farm Origin whiskies, some with a touch of peat.

GREATER THAN THE SUM OF ITS PARTS

Inspired by Bordeaux’s greatest chateaux, the Cuvée concept means that Irish barley is harvested, distilled and matured farm by farm. These Single Farm Origins express their own distinct terroir. Head Distiller Ned Gahan then brings each Single Farm Origin together, layer by layer, to create a Cuvée, the ultimate whisky where the whole is greater than the sum of the parts.

BEST ENJOYED NEAT OR IN A HIGHBALL

Waterford Cuvée: Argot is best enjoyed neat or with a few drops of water to allow the complexity to shine. This whisky is equally delicious served with ice and soda to enhance the fruit-forward notes and subtle, smoky characteristics.

FRUIT-DRIVEN WITH A TOUCH OF SMOKE

Waterford Cuvée: Argot is complex with notes of ripe stone fruits, green foliage, cereal grains, and winter spices, all tied together with light peat smoke that is unique to this whisky.

TERROIR-DRIVEN APPROACH

Waterford was founded with the idea of creating natural whiskies driven by their raw ingredient – the barley. Waterford focuses on different types of barley grown in different areas of Ireland and their effect on the flavour of the whisky. All Waterford Whiskies show full transparency and traceability via the innovative TÉIREOIR Code.
