SMOOTH AND FRUTY TAIWANESE SINGLE MALT WHISKY

Delicious and easy drinking single malt whisky made in the sub-tropical climate of Taiwan. The perfect starting point on a journey through the award-winning Kavalan range, this is best sipped neat or mixed with soda.

RICH AND EXOTIC WITH NOTES OF CINNAMON AND RAISIN

Kavalan Distillery Select No. 1 Single Malt displays rich aromas of passionfruit, raisin, toffee apples, cinnamon buns and lemon zest. The speed of maturation in Taiwan is accelerated due to the climate, meaning that this is a very smooth single malt whisky.

BEST SERVED NEAT

Best sipped neat, although adding ice or a splash of water is a good way to open up the flavours. Designed to be drunk in a tropical climate means that this single malt is perfect for warmer months.

THE ORIGINAL TAIWANESE SINGLE MALT

Founded in 2005, Kavalan is Taiwan's first whisky distillery. Kavalan's uniqueness is its ability to master tropical aging to create a renowned and sophisticated range of Single Malts.

UNIQUE LOCATION

The distillery site in the North East of Taiwan was chosen for the abundance of pure spring water which flows from the Snowy Mountain range. The Siberian wind which blows in from the ocean during winter helps create complex flavours during aging.
