EXQUISITE VENEZUELAN “WHITE” SIPPING RUM

An unusual “white” rum, Diplomático Planas is aged in oak casks for up to six years and is charcoal filtered to remove the colour, resulting in a smooth, flavourful rum.

ELEGANTLY BALANCED FLAVOURS OF COFFEE AND COCONUT

Fresh and tropical aromas of ground coffee and coconut, with citrus zest, toffee and marshmallow. The well-balanced sweetness means that this is delicious to sip neat and mix in cocktails.

EXPERTLY CRAFTED & BLENDED

Named after the distillery’s location, the rum is made from both sugar cane honey and molasses and distilled using a multitude of different stills, which each give different flavour profiles.

SUSTAINABLE FAMILY-OWNED DISTILLERY

Family-owned in Venezuela, Diplomático controls its production process from field to bottle with a care for the local environment and people. It has been recognised for its sustainable practices.

DELICIOUS NEAT AND A VERSATILE COCKTAIL INGREDIENT

Planas is best enjoyed neat or on the rocks. It is also excellent in a Daiquiri or topped up with coconut water for a refreshing summer drink.
