THE DEFINITIVE WATERFORD WHISKY

Inspired by Bordeaux's greatest Chateaux, Waterford have blended together 25 of their Single Farm Origin Single Malts into one bottling. Marrying terroir-derived flavours for ultimate complexity that is textured and compelling.

PROFOUND, COMPLEX & COMPELLING FLAVOUR

The Cuvée is a dynamic assemblage of 25 Single Farm Origin Single Malts. This results in a whisky showing notes of red apples, lavender, digestive biscuits, oranges, fresh mint, coffee cake, with a distinctly oily, textured palate delivering grapefruit, lemon zest, dark chocolate, cherries with an extraordinary length of flavour.

TERROIR DRIVEN APPROACH

Waterford was set up by Mark Reynier (ex Bruichladdich CEO) in 2015 with the idea of creating a whisky that was driven by the raw ingredient – the barley. Waterford focus on different types of barley, grown in different areas of Ireland with different micro climates and growing conditions, exploring how that affects the flavour of the whisky.

GREATER THAN THE SUM OF ITS PARTS

Waterford Cuvée is a celebration of complexity, achieved by a collection of individual terroirs. A bespoke label, commissioned from artist Leah Hewson represents this concept perfectly.

🍷 BEST ENJOYED NEAT

Waterford Cuvée is best enjoyed neat or with a few drops of water to allow the cereal notes and viscous texture to open up. This whisky is non chill-filtered, having great depth of flavour and spreading across the palate with ever evolving complexity.
