TRIPLE SHERRY CASK MATURED TAIWANESE SINGLE MALT

Kavalan Triple Sherry Cask Single Malt Whisky is a unique whisky aged in three different types of sherry casks: Oloroso, Pedro Ximenez & Moscatel – creating an exquisite and complex single malt.

THE ORIGINAL TAIWANESE SINGLE MALT

Founded in 2005, Kavalan is Taiwan's first whisky distillery and has become one of the most recognised producers in the world, particularly known for its innovative use of casks. The unique maturation environment has allowed Kavalan to harness tropical aging and create a sophisticated range of Single Malts.

UNIQUE LOCATION AND CASK SELECTION

The King Car Distillery is in the sub-tropical North-East of Taiwan where the whisky matures at a faster rate than in Europe. Aged in the finest sherry butts which previously held Oloroso, Moscatel and PX sherry wines, the whisky has a unique flavour and mouthfeel.

RICH, SWEET AND TROPICAL

Kavalan Triple Sherry Cask combines the rich and decadent flavours of Oloroso casks with the sweetness and fruity notes of Moscatel and Pedro Ximenez, whilst allowing the tropical fruit notes of the base spirit to shine through.

BEST SERVED NEAT

Best served neat to highlight the rich depth of flavour and mouthfeel of the whisky and to allow the complexities of the sherry casks to shine through.
