## MULTI-LAYERED WITH RICH, TROPICAL FRUIT NOTES

Black Tot is a perfectly balanced blend of the finest Caribbean rums. The tropical fruit notes comes from Barbados' rum, the richness and decadence is from Guyanese Demerara rum, whilst the spice and intensity comes from funky Jamaican rum. The resulting spirit is complex with notes of coffee, chocolate and sweet spices in every sip.

## BEST ENJOYED NEAT & IN CLASSIC RUM COCKTAILS

Black Tot Finest Caribbean is perfect for sipping neat. It is also a versatile ingredient in classic rum cocktails, including a Right Hand (Rum Negroni) – 40ml Black Tot, 20ml Cocchi Vermouth di Torino, 20ml Campari and 2 dashes of chocolate bitters.

## THE ART OF BLENDING

Black Tot embraces the tradition and art of blending rums from distilleries across the Caribbean, a technique pioneered by the Royal Navy. Each component of Black Tot is carefully selected to add its own distinctive character to the final blend, resulting in a rum with exceptional nuance, depth and individual style.

## CHAMPIONING TRANSPARENCY AND PROVENANCE

Leading by example, the full breakdown of each rum in the Black Tot blend is shared in percentage terms. With an unyielding commitment to provenance and quality of these individual components, Black Tot crafts a spirit that highlights the rum-making expertise of its Guyanese, Barbadian and Jamaican origins.
