

H BY HINE VSOP

70CL | 40% | £39.00

A VIBRANT VSOP COGNAC DESIGNED FOR COCKTAILS

Produced from grapes grown in the Petite and Grande Champagne areas. Aged in French oak for an average of five years. Designed in collaboration with, and for, bartenders, this is the ideal Cognac to use in cocktails.

FLORAL, LIVELY AND FRUITY

Aromas of ripe apricot and apple blossom. On the palate mild spices and vanilla from the oak and the orchard fruitiness shines with hints of pear,

sweet apples and honeysuckle. A great balance between refreshing vibrancy and unctuous richness.

THE FRENCH COGNAC WITH A BRITISH SOUL

Established over 250 years ago, Hine is proudly one of the oldest Cognac houses in the region. Hine's philosophy is to make high quality, elegant cognacs with a distinctive, delicate style. This has been noted by the British Royal family who bestowed the Royal Warrant for Cognac to Hine.

DESIGNED FOR COCKTAILS

H by Hine stands out in classic Cognac cocktails such as the Sidecar or French 75. The Hine Ball is a refreshing summer drink: mix 50ml with ginger ale in a tall glass full of ice and garnish with an orange peel.
