HIGHLAND NECTAR SCOTCH WHISKY LIQUEUR

50cl | 35.00%

DELIGHTFUL SCOTCH WHISKY LIQUEUR

Highland Nectar is a beautifully married recipe of the finest Scotch whisky infused with cinnamon, ginger, bitter orange, star anise, nutmeg and vanilla. Using 5 year old whisky which has been fully matured in Sherry casks ensures a rich and fruity flavour.

SUMPTUOUS WITH HERBACEOUS NOTES, GINGER, ORANGE ZEST AND VANILLA

Highland Nectar is rich and velvety, with notes of cinnamon, cloves, vanilla pods, honey, eucalyptus and nutmeg. Herbaceous notes on the palate, as well as flavours of candied ginger, orange zest, allspice, maple syrup and a whisper of star anise.

DELICIOUS ON ITS OWN OR IN A COCKTAIL

Delicious neat or over ice and perfect for sipping after dinner. It also mixes brilliantly into classic cocktails such as a Bobby Burns (with blended whisky, sweet vermouth and bitters) or a Bonnie Prince Charles (with cognac and lime juice).

INSPIRED BY HIGHLAND WHISKIES

The name Highland Nectar comes from one of the first ever Blended Scotch Whisky brands trademarked by the Distillers Company (DCL) in the 1880s. It embodies the distinctive flavours of Scottish Highland whisky and the region's array of characterful herbs and spices.

PRODUCED BY ELIXIR DISTILLERS' WHISKY EXPERTS

This unique blend of unpeated Scotch whisky and the finest botanicals is the first liqueur from fine spirits creator, blender and bottler Elixir Distillers.
