

LOT NO.40 CANADIAN RYE WHISKY

70CL | 43% | £37.00

BOLD, SPICY AND UNIQUE CANADIAN RYE WHISKY

Lot No. 40 is a rich, fruity Canadian whisky with plenty of winter spice flavours, crafted using 100% rye grains to showcase the true complexities of rye whisky from Canada. Distilled using a column and then a pot still means it is smooth with plenty of character.

COMPLEX WITH NOTES OF RYE BREAD, VANILLA, SPICE AND ORCHARD FRUITS

Lot No. 40 is amazingly complex with notes of rye bread, pepper and soft spice along with rich vanilla, elegant citrus and ripe orchard fruits.

COMPLEX AND VERSATILE, BEST ENJOYED NEAT OR MIXED

Lot No. 40 can be enjoyed neat to experience the true flavour of rye whisky. It is also bold enough to be mixed into classic or refreshing cocktails.

THE ESSENCE OF RYE; MADE FROM 100% RYE GRAIN

Lot No. 40's use of 100% rye is unusual in modern whisky production as the flavoursome grain is difficult to process. The whisky showcases rye's complexities by using new, charred American oak barrels for maturation.

INSPIRED BY HISTORY

Lot No. 40 was created in 1998 by then master blender Michael Booth. Based on whisky made in early Canada by his 7th generation forefather Joshua Booth, whose plot of land was lot number 40.
