KAVALAN DISTILLERY SELECT NO.2 SINGLE MALT WHISKY

70CL | 40%

FLORAL AND HERBAL TAIWANESE SINGLE MALT WHISKY

Kavalan Distillery Select No.2 is a delicious and easy drinking single malt whisky made in the sub-tropical climate of Taiwan and is the perfect introduction to the award-winning Kavalan range.

WOODY AND EXOTIC WITH NOTES OF GRAPEFRUIT AND PINEAPPLE

Taiwan's sub-tropical climate ensures a faster maturation than Scottish equivalents, creating a smooth vanilla quality to the liquid, alongside floral and herbaceous notes with hints of pineapple jam and grapefruit zest.

BEST SERVED NEAT

Best sipped neat, although adding ice or a splash of water is a good way to open up the flavours. Designed to be drunk in a tropical climate means that this single malt is perfect for warmer months.

THE ORIGINAL TAIWANESE SINGLE MALT

Founded in 2005, Kavalan is Taiwan's first whisky distillery. It has become one of the most recognised producers globally, known for its innovative use of casks and ability to master tropical ageing.

UNIQUE LOCATION

Kavalan's distillery in North Eastern Taiwan was chosen for the abundance of pure spring water and the fresh, clean air. The Siberian wind during Winter helps create complex flavours during aging.
